## WHAT WE OFFER

We are a PADI 5 Star Training Facility. and offer PADI Open Water Courses. Most of our students since 2007 have come from referrals from happy PADI certified divers who have trained with us. We are an Adventure Mark™ Certified Operator and safety procedures are very important to us. We will make sure you have a great time while learning all the skills required to become a confident beginner diver.

### WHY?

## WHY LEARN WITH US?

Dive HQ Westheaven is an awesome school for PADI diving. I really enjoyed their great and fun lessons throughout my course. Also got all my equipment there and very happy about it. Greatly recommend!
